Item 2: Decision on video recording of the online interviews for Ph.D. programme

The CRC discussed and decided that CAS, IIT Delhi, will not video record the interviews of any candidate appearing for an online interview through video conferencing. Candidates are also not permitted to record the proceedings of the interview, or indulge in any malpractice during the course of the interview. In case violation of any of this is found, it may lead to cancellation of the admission.

The meeting ended with a vote of thanks to the Chair.
